**ORDER ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES
MAGISTRATE JUDGE**

This case was referred to the Honorable Zack Hawthorn, United States Magistrate Judge, for pretrial management pursuant to General Order 72-1. Pending before the court is a “Motion for Default Judgment” by the Plaintiff, Texas Guaranteed Student Loan Corporation (“TGS LC”). (Doc. No. 13.) On February 22, 2016, the magistrate judge filed a report recommending that the court grant TGS LC’s motion. (Doc. No. 14.) No objections to the report have been filed, and the time for doing so has passed. Furthermore, the court’s independent review confirms that the magistrate judge’s analysis is correct.

Additionally, the magistrate judge’s report ordered that TGS LC provide documentation to support the following two categories of damages: (1) costs of court, and (2) pre-judgment interest. (Doc. No. 14, at 9–10.) TGS LC has provided documentation to support its costs of court. (Doc. No. 15.) However, TGS LC has only provided documentation in support of its request for pre-judgment interest starting on September 30, 2015. (Doc. No. 13, App’x at 1.) Therefore, in accordance with the magistrate judge’s report, pre-judgment interest of 5% per annum will be applied to \$4,916.53 only from September 30, 2015 until the date of final judgment, for a total of \$117.86.

It is **ORDERED** that the magistrate judge's report and recommendation (Doc. No. 14) is **ADOPTED**; and TGSLC's "Motion for Default Judgment" (Doc. No. 13) is **GRANTED**. A final judgment will be entered separately.

So **ORDERED** and **SIGNED** this **23** day of **March, 2016**.
